ANNUAL OPEN-BURNING APPROVAL APPLICATION

Land Owner: _____ Person Responsible
for Burn: _____

Mailing Address: _____ Mailing Address (if different): _____

Legal Description of Property: _____

➤ **Attach a map** of the burn area showing fields with berms/piles location. Show roads and other sensitive features (neighboring homes, airstrip, clinic, school, etc.). If berms vary greatly within the proposed burn area, indicate berm length, width, and approximate tonnage for each on the map.

➤ Month/year initial land-clearing took place: _____

➤ Estimate the composition of berms/piles:

%spruce: _____ %aspen: _____ %birch: _____ %moss: _____

%non-combustibles (dirt, snow, ice): _____

➤ Estimate the **tons per acre** of material to be burned (choose one or both estimation methods):

Material prior to land-clearing: _____ Actual (within berms/piles): _____

Total number of acres or tons to be burned: _____

What methods or techniques will be used to accelerate the active burning phase while reducing the smoldering phase? (i.e. timing the burn, watching for proper wind direction and speed, etc.):

➤ Estimate Start and Stop dates to accomplish the burn:

Active fire phase: _____ Burn down phase: _____ Smoldering: _____

- List persons living within 1 mile of burn area (please make an effort to contact these people prior to the burn). Use additional sheets if necessary.

Name: _____ Name: _____

Address: _____ Address: _____

Telephone: _____ Telephone: _____

Name: _____ Name: _____

Address: _____ Address: _____

Telephone: _____ Telephone: _____

- Have you obtained a permit from DNR Forestry (circle)? Yes/No
If "no," why not? (DEC Approvals will not be issued without concurrent approval from Forestry during the fire season.)

I hereby certify that the information in this application is correct to the best of my knowledge. I understand that I am liable for injuries or accidents that occur because of this burn, and I will use means within my power to ensure the health and welfare of others.

Signature of Applicant/Landowner
